Sub: IT enablement Project "PANCHDEEP" - Conversion of existing Employer Code Number from 44-4266-0 to 44000042660000699

Dear Sir(s),

The task of catering broadly two benefits, "Medical Benefit" and "Cash Benefit" being performed by ESIC has become increasingly complex in the recent years. Keeping in pace with the new era of information technology in the service sector like Banking, Education & Insurance, the ESIC has moved to a massive ambitious IT enablement e-governance project titled "*Panchdeep*". The time set to roll out this plan is fixed for August 2010. The task of implementing the project "*Panchdeep*" has been assigned to the System Integrator *M/s. WIPRO* to adopt BOOT (Build, Own, Operate & Transfer) mode with the responsibility of designing, sizing and successful implementation. On successful implementation of project "PANCHDEEP", the Employers will comply with the requirements under the ESI Act in the e-mode from their office without any hurdle. Similarly, the Insured Persons and their family members can also avail Medical Benefit and Cash Benefit provided under the ESI Act by e- mode avoiding any delay.

Two *magnetic cards* (ATM Type), one for Insured Person and the other for family members, will be supplied to each Insured Person. For fulfilling this objective of the IT project "PANCHDEEP", in the first step, ESIC has to obtain new Declaration in respect of each Insured Person and their family. In the second step after internal data processing on the basis of new Declaration Forms, the System Integrator engaged by ESIC, *M/s. WIPRO*, with the assistance of ESIC & Employer concerned, will conduct enrolment camps in different centers for obtaining biometric details and capturing photo in respect of Insured Persons along with their family members. Besides these, Code number of all employers has been converted in to 17 (Seventeen) digit code number as shown below. As regards conversion of Insurance Number of Insured Persons the same will be guided by the respective Branch Manager, ESI Corporation, nearest to your Factory/Establishment to which your factory/establishment is attached. In this process, for necessary assistance, a team of ESIC personnel is being deputed to your organization with effect from 07.12.2009. Necessary arrangement has been made to deliver the new Declaration Forms to your factory/establishment by the appropriate Branch Office. Any clarification in this regard, if needed, be sought for from the Branch Manager, ESI Corporation, concerned.

Your existing Code No is: 44-4266-0

New Code Number after conversion is: 44000042660000699

You are, therefore, requested to quote this code number in future in all the correspondence with the ESI Corporation and mention in the Bank deposit challans, Return of Contribution and letters to Branch office also.

Kindly continue to extend your active support to help us to serve you better.

Superintendent
Central Excise & Customs
ANGUL - II - RANGE

Yours faithfully,

(R.N. BEHERA)
DEPUTY DIRECTOR (IT)
